

SYMMETRY PRODUCT HIGHLIGHT

Chair Rail

Symmetry Residential Elevator cars are available with decorative chair rails. Available in a variety of wood species, our chair rails are custom designed to match the decor and ambiance of your home, as well as protect the integrity of your elevator walls.

A Symmetry Chair Rail is designed to stylishly complement your elevator. Crafted from an assortment of beautiful hardwoods, it can be painted or stained to your preference. Symmetry's Chair Rail comes standard with Wainscot.
